Contracts entered into prior to 28 September 2021, the amount is referred to as an Early Payout Fee.

A variation fee is payable if you request any changes to the Credit Contract or Security - for example:

- Re-arrange and/or substitute a security on a mortgage
- Consent to any dealings in relation to property
- Switch from one interest rate product to another, at the request of the borrower
- Where a fixed interest rate has decreased between loan approval and loan funding, at the request of the borrower
